Welcome to EnerGov Citizen Self Service Help

Welcome to your EnerGov Citizen Self Service (CSS) Help System! This site is designed to help you make the most of your CSS experience.

Citizen online access is a crucial part of community development software. CSS is a new ePortal that uses the latest tools in software development and modern aesthetics. The essential purpose of this application is to provide public-facing tools for citizens to use to interact with the EnerGov land management and permitting processes administered by local government municipalities. CSS is compliant with the Americans with Disabilities Act (ADA).
